

Moustache Dimanche 28 Titanium

Framework	Aerospace aluminum - extruded tube and hydroformed butted. Centering optimized masses - Silver
Fork	Specific carbon - Reinforced tapered pivot - Wheel Lock 15 mm Q-lock
Brakes	A Tektro hydraulic disc 180/180 - Level visible liquid - Approved 45 km / h
Crank	Aluminum cranks - Sprocket 19T motor output
Cassette	Shimano 10 speed 11-32
Derailleur	Shimano 105 10 speed
Lever	Shimano 10-speed Rapidfire
Wheels	Alex XD Sport 700C - Aluminium double wall - reinforcing eyelets - 32 T
Hubs	Front axle 15 - Alu cartridge bearings, 6 holes - AR Shimano FHM525, 6 holes
Tires	Schwalbe Energizer 700 x 37 - reflecting side strips - Reinforcements puncture. Approved 45 km / h. (Note different tires photo)
Saddle	Velo saddle ergonomic
Seatpost	3D forged aluminum 27.2 x 350
Cockpit	Hanger Alu DB semi-raised 680mm - Stem 60/80/80/100 mm
Pedals	VP - Aluminum and resin reinforced with non-slip rubber
Engine	BOSCH Performance 350W Speed - 40/60 Nm - Assistance 50-275% - 45 km / h
Battery	BOSCH Li ION PowerPack 400 - 36v 11.6 Ah - 400Wh. Total load in 3:30 - 2.5 kg. residual capacity of 60% minimum after 30 000 km
Counter	BOSCH central Intuvia remote controlled. 5 modes (Eco, Tour, Sport, Turbo, Off) - "Walk assist." - info available offline USB port for charging MP3 players, phones, etc ...
Autonomy	40 to 120 km to 20 km / h on flat (driver 70 kg). 30-70 km varied use, according to the selected mode, wind, altitude, etc..
Warranty	5 years on frame - 2 years on fork, motor, battery (or 500 cycles) and accessories
Size	S/44 (1.50 to 1.65 m) - M/48 (1.63 to 1.75 m) - L/52 (1.73 to 1.85 m) - XL/56 (1.83 to 1.95 m) approximately
Weight	18.1 kg without plate and Support
